PCE Credit Statement

This activity is structured to meet knowledge-based educational needs. A knowledge-based activity acquires factual knowledge. Information in knowledge-based activities is based on evidence as accepted in the literature by the healthcare professions. Pharmacy continuing education (PCE) credit will be earned based on participation in this activity. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly. **Participants must complete an online activity evaluation by Oct. 2, 2017.** Credit will not be processed until the online evaluation has officially closed for response on Oct. 2, 2017. Please allow MPA two weeks to process and upload credit to CPE Monitor. NOTE: ACPE guidelines prohibit MPA from issuing credit more than 60 days after the activity for any reason; therefore, to avoid denial of credit, it is imperative that participants complete the online evaluation and posttest by the deadline indicated to allow sufficient time for processing. If all requirements are met, participants will receive pharmacy continuing education (PCE) credit through CPE Monitor. It will be the responsibility of the participant to provide the correct information. If this information is not correctly provided, NABP and ACPE prohibit MPA from issuing CPE credit.

Registration

Pre-registration is available online at <http://www.michiganpharmacists.org/mspt5live17>, or complete the printable registration form and send it to Michigan Pharmacists Association. Early-bird registrations will be accepted via Internet, mail, phone or fax until 4:30 p.m. on Sept 11, 2017. Registrations received after 4:30 p.m. on Sept. 11 will be considered an onsite registration and will not be processed until registration opens onsite on Sept. 16. Onsite registrations will be accepted, but pre-registration is highly encouraged so that we can plan on your participation.

Can't Attend?

If you are unable to physically attend, consider participating via a webinar from the comfort of your home. Register for this event and you will receive instructions and a link to participate online the day of the event.
