

ACCESS ASAP Community Coalition Presents...

Your Role in Tackling the Opioid Epidemic

November 17, 2018

Agenda

3:30 p.m. – Doors open
4:00 - 4:30 p.m. – Opening remarks
4:30 - 5:30 p.m. – Continuing Education Presentation
5:30 - 6:00 p.m. – Closing remarks

Intended Audience

This continuing education program was designed for pharmacists and pharmacy technicians.

Learning Objectives

At the completion of this activity, the participant will be able to describe the risk factors for and symptoms of opioid overdose, discuss the role of naloxone in preventing accidental opioid overdose, and explain the role of pharmacy professionals in opioid overdose education and prevention.

Presenter

Mona Hijazi, Public Health Coordinator, ASAP Community Coalition, ACCESS Community Health and Research Center, Dearborn, Mich.

Farah Jalloul, Pharm.D., M.B.A., State Pharmacy Emergency Preparedness Coordinator, Michigan Pharmacists Association, Director of Professional Development, Pharmacists Services Inc., Lansing, Mich.

Shanelle Covington, Pharm.D., Executive Fellow, Michigan Pharmacists Association, Lansing, Mich.

Location

Arab American National Museum, 13624 Michigan Ave., Dearborn, MI 48126.

Registration

This event is complimentary for all attendees. RSVP by Nov. 14, 2018 by Emailing Mona Hijazi at mhijazi@accesscommunity.org

Pharmacy Continuing Education Requirements

This activity is structured to meet knowledge-based educational needs. A knowledge-based activity acquires factual knowledge. Information in knowledge-based activities is based on evidence as accepted in the literature by the health care professions. Pharmacy continuing education (PCE) credit will be earned based on participation in this activity. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly.

Participants must fully participate in the activity and complete an online activity evaluation and posttest questions, if received by presenters, with a passing score of 70 percent or greater before December 1, 2018. Online evaluations and posttests will not be available for completion and requests to process credit will not be accepted after this date. See the program instruction sheet distributed during the activity for the online activity link. Posttests will not be graded and credit will not be processed until the online evaluation and posttest has officially closed for response. Please allow MPA two weeks to grade posttests and process and upload credit to CPE Monitor after the evaluation and posttest has closed. NOTE: ACPE guidelines prohibit MPA from issuing credit more than 60 days after the activity for any reason; therefore, to avoid denial of credit, it is imperative that pharmacists and pharmacy technicians complete the online evaluation and posttest by the deadline indicated to allow sufficient time for processing. If all requirements are met, participants will receive pharmacy continuing education (PCE) credit through CPE Monitor, a national, collaborative effort by ACPE and the National Association of Boards of Pharmacy (NABP) to provide an electronic system for pharmacists and pharmacy technicians to track their completed PCE credits. MPA, as an ACPE-accredited provider, is required to report pharmacist and pharmacy technician PCE credit using this tracking system. Pharmacist and pharmacy technician participants must provide their NABP e-Profile identification number and date of birth (in MMDD format) when they complete activity evaluations. It will be the responsibility of the participant to provide the correct information. If this information is not correctly provided, NABP and ACPE prohibit MPA from issuing CPE credit. Online access to their inventory of completed credits will allow pharmacists and pharmacy technicians to easily monitor their compliance with CPE requirements and print statements of credit. Therefore, MPA will not provide printed statements of credit to pharmacists and pharmacy technicians. Partial credit will not be awarded. If you have yet to sign up for CPE Monitor, go to MyCPEMonitor.net.

ACPE Universal Activity Number: 0112-9999-18-578-L01-P; 0112-9999-18-578-L01-T

Knowledge-based Activity; Initial Release Date: 11/17/18; Expiration Date: 11/17/19; 1.0 contact hour

Michigan Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.
