On behalf of the Michigan Pharmacists Association (MPA) Executive Board and staff it gives me great pleasure to welcome you to the MPA Annual Convention & Exposition. Also, welcome to Detroit, nicknamed the “Motor City” inspired by its ties to the auto industry and birthplace of the astounding Motown sound.

It will be an exciting weekend of valuable educational opportunities, networking, engagement, awards, recognition and fun! There’s plenty in store this weekend.

Our continuing education programming provides the opportunity to earn more than approximately 21 hours of live continuing education (CE) credit from more than 40 CE activities offered, including at least one pain program, one law program and one patient safety program each day.

You don’t want to miss our opening and keynote sessions. They offer a chance to hear from nationally known leaders in business and/or healthcare sectors. Join us in learning about key current issues. The Opening Session is held on Friday afternoon featuring David Neff, chief medical director from the Office of Medical Affairs, Medical Services Administration at the Michigan Department of Health and Human Services, Stephen Bell, internal medicine physician at Newport Medical Center and Phil Pavona, executive director at Families Against Narcotics. Larry Wagenknecht, MPA chief operations officer, will moderate this session and they will discuss the impact of the opioid epidemic and the pharmacist’s role in battling the epidemic. The Keynote Session is held on Saturday morning with Global Centurion president, Laura Lederer, a pioneer in the work to stop human trafficking. She will discuss the growing concern of human trafficking in the United States and connect it with our roles as pharmacy professionals in addressing human trafficking and much more.

Like to shop? If you are interested in purchasing dining and golf packages, jewelry, art and more, stop by the Michigan Pharmacy Foundation Charity Auction and place your bid! The auction also offers a “buy it now option.”

Come to the National Alliance of State Pharmacy Associations-Non-prescription Medicines Academy Student Pharmacist Self-Care Championship on Saturday afternoon. Watch student pharmacists representing each college in a jeopardy-like competition. The students get to test their knowledge of over-the-counter products. I am always wowed by their broad range of knowledge. Come support your college of pharmacy and see who wins the traveling trophy. You may be able to assist as the program becomes interactive when the students use their “ask the audience” lifelines if they are stumped.

On Saturday night, we will hold our Annual Banquet and Awards Ceremony to formally inaugurate the incoming president. It’s a night of awards and recognition. Several practitioners are honored for their leadership and innovation across the various pharmacy settings. All convention attendees are invited to a pre-banquet reception. A great way to network with other pharmacy professionals.

The House of Delegates Session will be held on Sunday. If you have interest in policy formation and hearing about any proposed changes, add this session to your calendar. Key issues and challenges in various practice settings and proposed policy changes will be discussed and awards and reports are also presented. These are just a few of the highlights at the Convention. There’s much more!

For those of you who have attended the Convention in the past, welcome back! I also welcome those who are attending for the first time. You are in the right place at the right time. I commend you for your commitment to continuous learning. Additionally, it’s a great occasion to share knowledge and experience, learn new perspectives, share best practices, make connections and cultivate relationships. Remember, everyone that you will ever meet knows something that you don’t. Enjoy the Convention!

CONVENTION GOALS
Over the years, the Annual Convention has grown in magnitude and has become the event that pharmacy professionals look forward to attending every year. The Annual Convention is the largest state pharmacy association convention in the country, with nearly 1,300 attending the 2017 Annual Convention. MPA is proud that this event is often compared to national pharmacy conventions and meetings. MPA's goals for the Annual Convention include the following:

• Provide quality continuing education programs, focusing on the latest treatment options and hottest issues in pharmacy
• Offer various networking options for attendees
• Facilitate opportunities for attendees to discuss the outlook of pharmacy
• Celebrate the future of pharmacy by honoring Michigan’s pharmacy leaders
• Provide activities for attendees to continue their professional development

TARGET AUDIENCE
Programs at the Annual Convention were planned to meet the needs of pharmacists, residents, pharmacy technicians and student pharmacists in a variety of practice settings as well as those in the pharmaceutical industry and academia.

CANCELLATION POLICY
All requests for refunds must have been received in writing by Feb. 1, 2018 (postmark or fax date). Cancellations or registration modifications resulting in a refund received between Feb. 2 and Feb. 15, 2018, will be assessed a $50 administrative fee. Cancellations after Feb. 15, 2018, no shows or changes made onsite to registrations will not be refunded. Refunds will not be given for inclement weather, nor will refunds be given due to registration errors made by the participant.

PARKING AT THE RENAISSANCE CENTER
There are a variety of parking options while at the Convention. Parking facilities are not owned or operated by the Detroit Marriott at the Renaissance Center. Note: Beaubien Parking has not extended the offer of discounted parking to Convention attendees.

• Port Atwater Parking – Accessible from Beaubien Street near Tower 200
• Beaubien Parking – Accessible from Beaubien Street
• Miller Parking – Located directly across from the Marriott Hotel lobby entrance
• Valet Parking – Available at the Marriott Hotel lobby entrance

PROGRAM RESTRICTIONS
Due to health and safety concerns, children under 16 years of age will not be allowed in the educational sessions or Exhibit Hall.

DISTRIBUTION OF REGISTRANT CONTACT INFORMATION
As a registrant of the MPA Annual Convention, your contact information, including address and phone number, may be distributed to key partners supporting the Convention. By registering, you acknowledge that your information will be provided unless you opted out on the registration form.

WHO TO CONTACT
For assistance at the Convention, please stop by the MPA Registration Desk in the Renaissance Ballroom Foyer on Level 4. Any questions after the Convention can be directed to Jennifer Crawford, MPA education planning assistant, at Jennifer@MichiganPharmacists.org or (517) 377-0225, or Mary Farrington, MPA director of education, at Mary@MichiganPharmacists.org or (517) 377-0234.

Sunday, Feb. 25, 7 a.m.-1 p.m. (Auction winner pick-up)
In addition to purchasing 50/50 raffle tickets and products, bidding on auction items and making a donation to support Bay Cliff Health Camp in the Mackinac Center, student pharmacists can obtain information about the MPF Adopt-a-Student program and pick up House of Delegates session packets. If you’ve lost an item at the Convention, stop by the Mackinac Center to see if it was turned in. Additionally, the Mackinac Center serves as the location where student pharmacists who are participating in the MPF Adopt-a-Student program to serve as program monitors, moderators, Convention greeters or in another volunteer function will go to obtain program material or direction for their assignments.

**OPENING SESSION: BATTLING THE OPIOID EPIDEMIC – WHAT YOU CAN DO TODAY!**
Ambassador Ballroom, Salons 2-3, Level 3
1:30-3:30 p.m.
This session will be moderated by Larry D. Wagenknecht, pharmacist, FMPA, FAPhA, chief operations office at Michigan Pharmacists Association and presented by David R. Neff, D.O., chief medical director for the Office of Medical Affairs, Medical Services Administration in the Michigan Department of Health and Human Services, Stephen R. Bell, D.O. internal medicine physician for Newport Medical Center and Phil Pavona, executive director for Families Against Narcotics. The program will focus on the impact of the opioid epidemic on healthcare in Michigan and actions that pharmacy professionals can implement to help prevent the epidemic from spreading.

**EXHIBIT HALL**
Renaissance Ballroom, Level 4
Friday, Feb. 23, 3:30-6 p.m.
The Exhibit Hall is a highlight for many Convention attendees. At registration check-in, you will receive an exhibitor challenge card. Visit at least 20 exhibitors to be entered into a prize drawing! The vendor present at the exhibitor booth must initial the appropriate box on the card. You should write your name on the card and turn it in at the MPA registration desk no later than 12:15 p.m. on Saturday, Feb. 24 for a chance to win various prizes, including the Grand Prize, a $100 Amazon gift card! Participants must be present to win. The prize drawing will occur at 12:20 p.m. on Saturday in the Exhibit Hall. Additionally, visit with reception sponsor, Smith Drug Company, in booth #18 to receive a ticket for a complimentary beverage (cocktails, beer, soft drinks and bottled water only), good for Friday only during open Exhibit Hall hours. Beverages can be purchased with cash if a beverage ticket it not presented. A pizza lunch will be held on Saturday from Noon to 1 p.m. (limited to one slice per person). Children under the age of 16 years will not be allowed in the Exhibit Hall. Absolutely no food or beverage may be brought into the Exhibit Hall unless ordered from the hotel’s catering department.

**STUDENT PHARMACIST SOCIAL**
Ambassador Ballroom, Salon 1, Level 3
Friday, Feb. 23, 6-7 p.m.
SMPA student pharmacists are invited to this informal student-only reception on Friday evening. Network with fellow student pharmacists from Michigan’s colleges of pharmacy and our sponsors while enjoying a Mexican tortilla bar with guacamole dip, salsa, chili con queso, churros, Mexican chocolate sauce, virgin sangria and bottled water.

*Sponsored in part by Rite Aid and Walgreens*
**NIGHT ON THE TOWN MEET-UP**

**Marriott Hotel Lobby, Level 3**

Friday, Feb. 23, 8:30-9 p.m.

If you are planning to attend the Night on the Town event, meet New Practitioner Committee members (look for people wearing Hawaiian leis!) in the Marriott Hotel lobby on Level 3 at 8:30 p.m. or 9 p.m. to obtain a Detroit People Mover token for transportation to this event.

**NIGHT ON THE TOWN**

**Punch Bowl Social, 1331 Broadway St., Detroit**

Friday, Feb. 23, 9-11 p.m.

This event is an opportunity for young pharmacists and student pharmacists to meet and network on Friday evening. Take the opportunity to re-connect with your colleagues from pharmacy school or make new connections with the next generation of pharmacy professionals at Detroit’s Punch Bowl Social featuring old school fun such as bowling, darts, marbles, ping pong, shuffle board, vintage arcade games and karaoke. Meet New Practitioner Committee members (look for people wearing Hawaiian leis!) in the Marriott Hotel lobby on Level 3 at 8:30 p.m. or 9 p.m. to obtain a Detroit People Mover token for transportation to this event. Casual dress is recommended.

**KEYNOTE SESSION: HEALTH AND HUMAN TRAFFICKING: WHAT PHARMACISTS NEED TO KNOW**

**Ambassador Ballroom, Salons 2-3, Level 3**

Saturday, Feb. 24, 9-10:30 a.m.

The Keynote Session will feature Laura Lederer, JD, president of Global Centurion in Fairfax, Virginia, who will discuss the growing concern of human trafficking in the United States and provide signs that pharmacy professionals can use to identify victims of human trafficking.

**MSHP STUDENT PHARMACIST LUNCHEON**

**Ambassador Ballroom, Salon 1, Level 3**

Saturday, Feb. 24, Noon-1:30 p.m.

Ticket is required. Pre-registration was necessary.

*This luncheon is sponsored by the Michigan Society of Health-System Pharmacists*

**GENERAL SESSION: NASPA/NMA STUDENT PHARMACIST SELF-CARE CHAMPIONSHIP**

**Ambassador Ballroom, Salons 2-3, Level 3**

Saturday, Feb. 24, 1:30-3:30 p.m.

Teams from each college of pharmacy will compete for bragging rights and the traveling trophy during the Self-care Championship. This program is designed to promote interactive learning of self-care topics to the student pharmacist participants as well as the Target Audience in attendance. In addition, the recipients of the Michigan Pharmacy Foundation $2,500 scholarships will be recognized during the championship program. Be sure to attend and cheer for your school.

**SMPA AND NEW PRACTITIONER MOCK INTERVIEWS FOR P3 AND P4 STUDENT PHARMACISTS**

**Nicolet A-B, Level 5**

Saturday, Feb. 24, 3:15-6 p.m.

Student pharmacists and pharmacy residents can participate in mock interviews with experienced professionals from various practice settings. This is a great opportunity to gain real-life interview experience, techniques and tips to prepare you for your future career search! Limited slots are available and must have been scheduled in advance.

**PRE-BANQUET RECEPTION**

**Ambassador Ballroom Foyer, Level 3**

Saturday, Feb. 24, 6:30-7 p.m.

Join convention attendees for a pre-banquet beer and wine reception before the banquet and network with your MPF Adopt-a-Student parent sponsor and other leaders in the Association.

**ANNUAL BANQUET AND AWARDS CEREMONY**

**Ambassador Ballrooms, Salons 2-3, Level 3**

Saturday, Feb. 24, 7-9:30 p.m.

Enjoy a gourmet meal with friends and professional colleagues to formally inaugurate 2018 MPA President Sandra Taylor at MPA’s Annual Banquet and Awards Ceremony. Listen to the accomplishments of those individuals receiving awards and let their stories inspire your career development. The Student Pharmacist Self-care Championship winner and the MPF scholarship award recipients will be recognized at the awards ceremony as well. Tickets are required for admission to the Annual Banquet.

**HOUSE OF DELEGATES SESSION**

**Ambassador Ballroom, Salons 2-3, Level 3**

9:30 a.m.-12:30 p.m.

MPA’s 2018 House of Delegates Session will be held to conduct annual Association business. Each college of pharmacy has representatives seated in the House Session that will evaluate resolutions and participate in all the debates.
CONTINUING PROFESSIONAL DEVELOPMENT

The profession of pharmacy is moving in a direction that focuses on continuous professional development (CPD) for pharmacists and pharmacy technicians. MPA plays a critical role in CPD and aims to provide continuing education programs that support the continued development of pharmacy professionals and enhance competency. In an effort to assist you in targeting programs that will enhance your professional development, these activities are accredited through the Accreditation Council for Pharmacy Education (ACPE) for pharmacist and pharmacy technician continuing education credit.

Michigan Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education.

Individuals have the opportunity to earn 20.75 hours of continuing education credit throughout the weekend. Educational activities are structured to meet knowledge- and application-based educational needs. A knowledge-based activity acquires factual knowledge. An application-based activity applies to information learned in the timeframe allotted. Information in knowledge- and application-type activities is based on evidence as accepted in the literature by the healthcare professions. Pharmacy continuing education credit will be earned based on participation in individually accredited activities. Attendance and participation are required before obtaining PCE credit. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly.

CPE Monitor is a national, collaborative effort by the Accreditation Council for Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP) to provide an electronic system for pharmacists and pharmacy technicians to track their completed continuing pharmacy education (CPE) credits. To obtain your e-Profile ID, visit MyCPEMONitor.net. Pharmacists and pharmacy technicians earning continuing education credit at the Convention and meeting all requirements will be able to view a comprehensive list of the ACPE-accredited activities they have taken on their CPE Monitor account.

MPA reserves the right to revoke continuing education credit for individuals who have not paid the registration rate in full or to participants who claim to have attended programs on days for which they were not registered. Partial credit will not be awarded.

REQUIRED CONTINUING EDUCATION

Continuing education requirements for licensed Michigan pharmacists and pharmacy technicians are indicated below.

Pharmacists are required to earn (inclusive of the 30 hours normally earned in a licensure period):

- 10 hours of live PCE credit
- One hour of pain and symptom management PCE credit

Michigan pharmacists are not required to obtain pharmacy law continuing education credit.

Pharmacy technicians are required to earn (inclusive of the 20 hours normally earned in a licensure period):

- Five hours of live continuing education (CE) credit
- One hour of patient safety CE credit
- One hour of pharmacy law CE credit
- One hour of pain and symptom management CE credit

Additionally, according to state law, both pharmacists and pharmacy technicians must complete a course on identifying victims of human trafficking. This course does not have to be accredited for continuing education credit, but all applicants for renewal must receive a certificate of completion from the course. This certificate of completion can be requested by the Department of Licensing and Regulatory Affairs when processing a licensee’s renewal application.

State regulations mandate that pharmacists and pharmacy technicians cannot earn more than 12 hours of PCE credit in a 24-hour period of time.
CONTINUING EDUCATION ACCREDITATION

NEW PROCESS TO CLAIM CONTINUING EDUCATION CREDIT

MPA is committed to improving the process in which participants claim credit earned, including completion of program evaluations and posttests. We are implementing a product called Lecture Panda that will allow participants to easily complete program evaluations and posttests online, as well as obtain program handouts.

INSTRUCTIONS

To earn pharmacy continuing education credit, complete the following steps.

1. Register with Lecture Panda – Prior to the Convention, you should have registered on the Lecture Panda website and set a username and password of your choice and provided your E-profile identification number and date of birth (MMDD format).
   • If you have already registered on the Lecture Panda website, move to step 2 below.
   • If you did not register on the Lecture Panda website, you must do that first. To do so, go to http://www.michiganpharmacists.org/education/convention and click on the Lecture Panda link under the black “Continuing Education Credit and Handouts” navigation bar, or scan the below QR code with your cell phone or tablet to be directed to the Convention event page on the Lecture Panda website. Upon registering on Lecture Panda, you will receive an e-mail confirming registration with a link to complete credit requirements. This link allows you access to all program handouts, evaluations and posttests. To avoid e-mails going to your spam folder, be sure to set up your e-mail account to allow e-mails from Lecture Panda.

2. Access Handouts – To access program handouts, refer to the registration confirmation e-mail that you received from Lecture Panda and click on the blue button titled “Complete Credit Requirements.” You will be directed to all program handouts, evaluations and posttests. To avoid e-mails going to your spam folder, be sure to set up your e-mail account to allow e-mails from Lecture Panda.

3. Claim Credit – To complete all evaluations and posttests for programs that you attended and claim credit, refer to the registration confirmation e-mail that you received from Lecture Panda and click on the blue button titled “Complete Credit Requirements.” You will be directed to confirm your name, e-mail address, E-profile identification number and date of birth, then progress to the claim credit screens where you will enter the program claim code provided at the end of each program and complete evaluations and posttests. More information about program claim codes is below. Upon completion of the evaluations and posttests, credit will automatically be submitted to your CPE Monitor record. You must pass each posttest with a score of 70 percent or greater to earn credit.

4. Overall Event Evaluation – MPA would like to know about your overall experience while attending the Convention. Please be sure to complete the overall event evaluation on Lecture Panda in addition to program evaluations. Your feedback is used to improve the Convention and other MPA events.

PROGRAM CLAIM CODES

When completing evaluations and posttests, you will be required to enter a “claim code” unique to each program. Be sure to listen at the end of each program to receive that program’s claim code. Program claim codes will not be provided to participants after participants are released from the program. It is recommended that you keep track of program claim codes by recording them as they are provided during sessions.

Posttest questions are not applicable to application-based programs; however, evaluations must be completed. For knowledge-based programs in which presenters did not submit posttest questions, attendees will not be penalized. MPA, as an ACPE-accredited provider, is required to report pharmacist and pharmacy technician PCE credit to CPE Monitor. ACPE guidelines prohibit MPA from issuing credit 60 days or more after the activity for any reason. Therefore, to avoid denial of credit, it is imperative that pharmacists and pharmacy technicians complete the online evaluations and posttests before March 19, 2018. Evaluations and posttests will not be available for completion and requests to process credit will not be accepted after this date. You will receive periodic e-mails from Lecture Panda reminding you to complete requirements. Due to this new process, participants will not receive an attendance form to record programs attended.
Every year, the Michigan Pharmacy Foundation (MPF) conducts a charitable organization drive during the MPA Annual Convention & Exposition. This donation drive has allowed the profession of pharmacy to give back to individuals in need.

HELP THE FOUNDATION SUPPORT BAY CLIFF HEALTH CAMP
The Foundation’s Board of Trustees feel Bay Cliff Health Camp is a worthwhile organization to support again at the 2018 MPA Annual Convention & Exposition in Detroit. Bay Cliff began as “a dream of two ladies who saw the needs of children during the desperate times of America’s Great Depression.” Both ladies were healthcare professionals that traveled throughout Michigan’s Upper Peninsula, caring not only for children, but teaching proper nutrition to mothers and providing healthcare to those in need. In 1933, a 170-acre abandoned farm located 27 miles northwest of Marquette, Mich., was purchased to fulfill their dream of a place for children with special needs. “Today, Bay Cliff also reaches beyond the Upper Peninsula to serve children with physical disabilities such as cerebral palsy, muscular dystrophy, spina bifida, vision impairment, hearing loss, arthritis, joint deformities, limb loss and disability due to accidents or trauma, to name a few.” The Foundation knows that pharmacists in Michigan will donate generously to improve the care and lives of these children.
