### MPA's Vision

MPA, as the leader of pharmacy professionals in Michigan, is the premier source of professional development, information and practice innovations. Through the active involvement of its diverse members, MPA is an influential force in developing health policy and optimizing patient health, safety, and medication management.

### MPA's Mission

The mission of MPA is to serve members by providing support, advocacy and resources that ultimately improve patient care, safety, health, and the practice of pharmacy.

### MPA's Core Values

MPA is committed to:

- **Integrity** – maintaining high ethical principles and fostering cohesion within the profession.
- **Innovation** – envisioning the future and seeking new opportunities in pharmacy practice.
- **Collaboration** – engaging partners to advance healthcare initiatives and improve patient and public health.
- **Professionalism** – modeling and promoting exemplary standards of conduct for pharmacy professionals.
- **Excellence** – providing superior services to members and partners.

**Enhancing your services. Strengthening your business.**

Pharmacy Services Inc. is the for-profit subsidiary of Michigan Pharmacists Association. Our mission is to provide products and services to benefit pharmacists, pharmacies and the profession of pharmacy.

# MPA and PSI Executive Fellowship

Our Executive Fellowship is a challenging program outside the typical post-graduate training where you will hone your business, leadership and management skills, all while preparing to advance the profession of pharmacy and understand the role of an association.
