Dear Friends of the Michigan Pharmacy Foundation,

With a mission to advance pharmacy, pharmacy education and research, and to promote pharmacy practice to the highest level of patient care, I am pleased to report the Michigan Pharmacy Foundation has had a successful year!

Our Board, led by Chair Ryan Bickel, expanded the fundraising efforts from the Charity Auction, Golf Outing and one social event to now include two social events and a Gift Card Tree at the Charity Auction. In September, a Fall Festivity was held at Steelhouse Tavern, and in October, Oktoberfest was held at Kitzingen Brewery. While the attendance may not be as large as expected, the conversations, networking and giving were impressive! The Gift Card Tree provided a fun and alternative manner to donate to the Charity Auction, and sold out early!

Additional Board activities include scholarships, grants and leadership. Through our long-term investments, we are able to support pharmacy research and scholarships. A goal of the Foundation has been to expand our scholarship awards; in 2018 we are able to award two additional scholarships. The Leadership Academy, now in its sixth year, has 17 participants from diverse professions. In addition to the Academy, a Leadership & Management Symposium was held in April. This one day symposium, also attended by the Academy members, provided a day of leadership education for pharmacy professionals and future professionals.

The Board’s success is due to its committed members. Without the dedication from the members, fulfilling our mission would not be possible. I would like to thank outgoing Board members Ryan Bickel, Carrie Lewis and Jim Lile for their years of service and contribution to the Board. Your contributions have been invaluable, and the Board appreciates all of your hard work! While Ryan’s tenure is ending, he will be expected to continue attending Oktoberfest in perfect attire!

I would like to thank everyone who has supported the Foundation. I would also like to encourage you, your colleagues and your friends to support the Michigan Pharmacy Foundation in achieving its mission.

Respectfully submitted,

Susan DeVuyrst-Miller, B.S., PharmD
MPF Chair, 2018
Formed as an initiative of Michigan Pharmacists Association, Michigan Pharmacy Foundation (MPF) was formally established in 1993.

“The mission of Michigan Pharmacy Foundation is to advance pharmacy leadership, education, research and to promote pharmacy practice to the highest level of patient care.”

The MPF Annual Report features fundraising activities, events and recognitions that took place throughout 2017, and acknowledges those dedicated individuals, organizations and companies that generously supported the Foundation’s initiatives.

Thank you for your continued support of the Foundation.
Leadership Through Service

Thank You Outgoing Board Members

It is with deep appreciation we thank these leaders in pharmacy for their years of service on the Board of Trustees. Their dedication to the Foundation’s mission is evident in their service and support of fundraising activities, events and leadership development.

Ryan Bickel
Chair, 2016-2017
Trustee, 2015-2016

Carrie Lewis
Trustee, 2015-2017

Jim Lile

Recognizing Community Leaders

Fred W. Arnold Public Relations Award

Sponsored by the Michigan Pharmacy Foundation (MPF), the Fred W. Arnold Public Relations Award recognizes a Michigan Pharmacists Association (MPA) member or team of members that have shown outstanding achievement and dedication to the pharmacy profession through community education and awareness.

Saad R. Shafie of Ann Arbor was presented with this distinguished award during the MPA Annual Convention & Exposition, held Feb. 24-26, 2017, at the Detroit Marriott at the Renaissance Center.

Shafie earned his Bachelor of Science in Pharmacy in 1974 from the University of Cincinnati. Since 1989, Shafie has owned and operated Heyden Pharmacy, a local Detroit pharmacy in operation since 1960, where he continues to practice to this day. Over the last several years, the pharmacy has expanded pharmaceutical services to include group homes, consultation for health professionals and training of direct care workers. Outside of his independent pharmacy, Shafie has also served on the Blue Cross Blue Shield Pharmacy Advisory Committee to help ensure the concerns and needs of pharmacists are part of the conversation. Shafie has also been a fierce advocate for MPA, serving on the Pharmacy Response Network as well as representing the Association and its members in the community.

Shafie regularly volunteers and administers vaccinations at local churches, senior centers and other organizations throughout Detroit. Part of this work involves him and his staff conducting training at mental health facilities regarding medication administration and disposal. In this environment, Shafie is able to train and educate student pharmacists, pharmacy technicians and other healthcare providers regarding how to best serve their patients. He has also spent his career becoming a resource and beacon of light for those in need. He is frequently called on by mental health providers to assist in medication management and education for patients, regardless of the patients’ healthcare coverage and the associated care costs, understanding that serving the community often means not serving the self. Shafie has been recognized by the Adult Well-Being Services of Detroit in 2011 as well as the Development Centers, Inc. in Detroit for his ongoing work keeping the city and communities of Detroit healthy. Shafie embodies what a pharmacist provides the community – local, personal and effective healthcare services.

Michigan Pharmacy Foundation (MPF) is proud to support the future of pharmacy through the Student Scholarship Program. Since it was established in 2002, the Foundation has awarded over $110,000 to outstanding student pharmacists.

Each year, the Foundation selects one P2 or P3 student enrolled in a pharmacy program at an accredited college of pharmacy in the state of Michigan to receive a $2,500 scholarship. In addition, it recognizes individual leadership, academic and professional advancement. The student pharmacists are chosen by members of the Foundation Scholarship Committee, and recognized during the MPA Annual Convention & Exposition.

Allison Bouwma – Ferris State University

“Being awarded the Michigan Pharmacy Foundation Student Scholarship is an honor. As a pharmacy student, there is a great deal of academic and financial stress. However, as students it is important that we are active in our field and keep up with regulatory issues. When I applied for this scholarship I really had to think about what I believe are the most important regulatory issues facing pharmacy today and how I can help inform other students as well as the community about these important issues. Since receiving this scholarship, I have been able to be active in the profession and maintain my academic success. I am so thankful that both MPF and MPA have given me the tools to be the best student pharmacist I can be.”

Emily Hoylman – University of Michigan

“I am incredibly grateful to the Michigan Pharmacy Foundation for awarding me the Student Scholarship in 2017. This scholarship provides me with opportunities to engage in community events and has helped me learn more about ways I can advocate for pharmacists’ role in patient care. In the scholarship application, I discussed how regulatory issues in pharmacy are especially important to consider in the growing community and ambulatory settings. With the support of the MPF Student Scholarship, I have been able to talk to the pharmacists who are leading the change in this area, and to see how even as students, we can make a difference. I am excited to see ambulatory pharmacy grow in the next few years, and I am thankful to MPF for laying the groundwork for me to get involved in this initiative.”

Linda Arrabi – Wayne State University

“I am thankful to have been awarded the Michigan Pharmacy Foundation Student Scholarship. I am honored and grateful both for the financial assistance and for validating my passion to stay involved with the Association. This award will ease the expense of membership dues of state and national pharmacy organizations, which strive to advance the profession and patient care. I send everyone at MPF a heartfelt ‘thank you’ for all the support you have provided me. I promise to pay it forward through creating opportunities that will inspire students to become leaders and advance the practice of pharmacy.”
Grant Funding

Michigan Pharmacy Foundation (MPF) has awarded in excess of $250,000 in grant funding for more than 20 years! Committed to the profession of pharmacy, the Foundation awards grant funding to pharmacy businesses, organizations, colleges, students, residents and pharmacists for projects that support the Foundation’s mission.

Grants Awarded in 2017

Non-Pharmacologic Pain Management Initiative
Insaf Mohammed, Pharm.D.

Pharmacist-led Inhaler Training to Reduce Readmissions
Sean M. McConachie, Pharm.D., BCPS

Spread of Respiratory Health in the Community
Souhelia N. Hachem, 2019 Pharm.D. candidate, Wayne State University

Leadership Legacy

The Michigan Pharmacists Association Past-Presidents are dedicated to the profession and chose to continue their leadership legacy through the MPF Leadership Initiative. These pharmacy leaders have committed to annually support the Health Professional Leadership Academy and invest in the development of future pharmacy leaders.

As part of the Foundation’s mission, leadership development became a key component to strengthening the practice of pharmacy. Originally established in 2012 as leadership development for young pharmacy practitioners, the Health Professional Leadership Academy (HPLA) has developed and expanded its vision to include other healthcare professions. To date, over 70 healthcare professionals have graduated from the HPLA program!

For information about the Michigan Pharmacy Foundation, visit www.MichiganPharmacyFoundation.org or to give back to the profession by making a meaningful contribution to the Foundation, visit www.MichiganPharmacists.org/foundation/contribute. With your contribution, we can do more.
As part of various initiatives to support its mission, Michigan Pharmacy Foundation (MPF) holds events throughout the year to raise funds for grant, scholarship and program support. The Foundation is grateful for each dedicated individual and company donor that contributes to the success of these events!

Charity Auction

MPF began another exciting year of activities with the annual Charity Auction. The Auction was held in conjunction with the Michigan Pharmacists Association (MPA) Annual Convention & Exposition at the Detroit Marriott at the Renaissance Center, Feb. 24-26, 2017, and displayed over 150 donated items available to avid bidders! Items included unique gift baskets, jewelry, beer and wine, gift cards and a wide range of gift certificates towards fine dining, overnight accommodations, golfing, skiing and more! As a result of our many generous donors, the Foundation raised over $8,000!

Charitable Organization Drive

Included during the Charity Auction, the Foundation conducted its annual Charitable Organization Drive. In 2017, MPF was pleased to give back by supporting Bay Cliff Health Camp! Bay Cliff began as “a dream of two ladies who saw the needs of children during the desperate times of America’s Great Depression.” Both ladies were healthcare professionals that traveled throughout Michigan’s Upper Peninsula, caring not only for children, but teaching proper nutrition to mothers and providing healthcare to those in need. “Today, Bay Cliff also reaches beyond the Upper Peninsula to serve children with physical disabilities such as cerebral palsy, muscular dystrophy, spina bifida, vision impairment, hearing loss, arthritis, joint deformities, limb loss and disability due to accidents or trauma, to name a few.”

Adopt-a-Student Program

Held every year at the MPA Annual Convention & Exposition, student pharmacists participate in the Adopt-a-Student Program to network with experienced, practicing pharmacy professionals during the Saturday evening Awards Banquet. In 2017, more than 160 students participated at this event! The Foundation deeply appreciates the many pharmacy professionals, local associations, colleges of pharmacy and companies that recognized the need to develop future leaders and ‘adopted’ one or more students. Because of you, this program is successful and continues to grow!

Student pharmacists from the University of Michigan participate in the Foundation’s Adopt-a-Student Program.
Annual Golf Classic

The MPF Annual Golf Classic was held on June 22, 2017, at Forest Akers West, a beautiful Michigan State University golf course in Lansing. The warmth and sunshine provided a great day for colleagues and friends to join together to relax and unwind. The Golf Classic is an 18-hole, four-person scramble, with men’s, women’s and mixed team flights. The Foundation welcomed 52 golfers and 24 sponsors at this annual event! Contest holes on the course, a putting contest and team rivalry provided friendly competition for all players, with prizes awarded to the contest winners! As a result of the dedicated participants and sponsors, the Foundation raised over $19,000 towards furthering its mission!

Foundation Fall Activities

September Fall Festivity
Held at the Steelhouse Tavern in Troy, Mich., the Foundation September Fall Festivity encouraged guests to take time out of their busy schedules and enjoy a relaxing evening. Attendees enjoyed various craft beers, wines or bourbon, as well as delicious food, in a casual and fun atmosphere. The Foundation would like to thank those donors and sponsors that participated in this event!

Thank You to Our Generous Supporters!
Southeastern Michigan Society of Health-System Pharmacists
Gary and Marie Kadlec

Oktoberfest
In October, MPF hosted the Second Annual Oktoberfest at Kitzingen Brewery in Wyoming, Mich. Inspired by the small town Kitzingen in Germany, the brewery provided a unique selection of German craft beers and authentic German food for guests to sample. A number of attendees with German heritage were inspired to dress in special attire, just for the occasion! The Foundation would like to thank those dedicated individuals that supported this event and provided a relaxed, fun evening for all!

Pharmacists, family and friends enjoy a warm fall day during the MPF September fundraiser.

Joan Neubrecht and MPF Chair Ryan Bickel demonstrate their German ancestry at the Foundation's Oktoberfest.
