MPA HASHTAGS

The # symbol, called a hashtag, is used to mark keywords or topics in a Tweet. It was created organically by Twitter users as a way to categorize messages. It can also be used on Facebook or Instagram. Use the following hashtags in your Tweets or Facebook posts when promoting MPA and affiliates of the Association. In addition, be sure to make use of the hashtags below specifically designated for MPA events when you're gearing up to attend, taking photos at the event or want to encourage your colleagues to register!
