

Talk to Your Pharmacist Today About:

Health Literacy and American Pharmacist Month October

THAT'S MY
PHARMACISTSM

DID YOU KNOW?

Pharmacists are:

- Among the most trusted and most available health professionals and work with doctors and insurance companies everyday
- Medication experts that are available to assist you
- Able to help reduce your out-of-pocket costs for prescription drugs
- The best resource to answer your questions about over-the-counter and prescription medications

WHAT CAN YOU DO?

- If you have questions about your medication, health conditions or prescription insurance coverage, ask your pharmacist
- Know your medicine, know your pharmacist
