

## Pharmacy PAC Award & Recognition Rules

### Specifications:

- The recipient is not currently serving, nor has he/she served within the immediately preceding two years as an officer of the association other than in an ex-officer capacity or on its awards committee.
- Those with family members serving as an officer, board member, employee or awards committee member of MPA or PAC are not eligible.
- Winning a particular award does not make that individual ineligible for that award in the future. The winning nominee must have demonstrated an extended effort to promote the enrichment of public health policy, the betterment of pharmacy interest or the profession of pharmacy.
