Michigan Society of Health-System Pharmacists Presents

Wellness, Resilience and Burnout in Pharmacy Residency Training Webinar

Oct. 13, 2020
2-3 p.m.

This program was designed specifically for pharmacy preceptors.
CANCELLATION AND REFUND POLICY
Refunds (minus a $10 administrative fee) will be granted for cancellations received in writing (postmark or fax date) by Oct. 6, 2020. Cancellations received after Oct. 6, 2020, no-shows or changes made to registrations onsite will not be refunded. Refunds will not be provided for inclement weather, nor will refunds be given for registration errors caused by the participant. Requests for refunds should be sent to MPA Director of Education Mary Farrington at Mary@MichiganPharmacists.org.

PCE CREDIT STATEMENT
Educational sessions are structured to meet knowledge-based educational needs and acquires factual knowledge. Information in knowledge-based activities is based on evidence as accepted in the literature by the healthcare professions. Pharmacy continuing education (PCE) credit will be earned based on participation in the activities. Any individual who is more than 10 minutes late to an activity or leaves an activity early will not be granted PCE credit. This procedure will be strictly enforced, so please plan accordingly. Participants must complete an online activity evaluation and applicable posttests no later than Oct. 27, 2020. Credit will not be processed until the online evaluation and posttests have officially closed for response. Please allow MPA two weeks to process and upload credit to CPE Monitor.

Michigan Pharmacists Association is an accredited provider of pharmacy continuing education credit.

Wellness, Resilience and Burnout in Pharmacy Residency Training Webinar
Oct. 13, 2020
2-3 p.m.

SPEAKER
Amy M. VandenBerg, Pharm.D., BCPP, clinical specialist, psychiatry and neurology, residency program director, PGY2 psychiatric pharmacy, Michigan Medicine; and adjunct clinical associate professor of pharmacy, University of Michigan College of Pharmacy, Ann Arbor, Mich.

LEARNING OBJECTIVES
At the end of this activity, participants should be able to:
1. Distinguish differences between wellness, resilience and burnout.
2. Explain ways to incorporate routine assessment of wellness and resilience into residency training.
3. Describe communication and intervention strategies for residents who are struggling.
4. Identify resources for professional assistance with burnout or mental health crisis.
